FIFTEEN CENTS

## Profits are down, so are tax revenues

With Village Trustee Don Amundsen, finance committee chairman, expressing concern over a reported \$10,000 drop in the monthly sales tax revenues, at a recent board meeting, it appears that retail sales in Antioch, along with those of the rest of the country, are showing a general profit loss for the area merchants.

When questioned on the matter, Mayor Michael Haley puts the sales tax loss down almost \$4,000 from that report, saying that he thought the loss figures were more in the \$6,000 category.

At a recent chamber of commerce meeting, Bill Patterson, owner of BJ's Clothing and Sporting centers, noted that although many merchants are experiencing an upswing in gross intake monies, the profits seem to be down generally since the retail prices, as well as overhead costs are also up.

These sales tax loss figures are from the spring quarter report and since the recession has deepened since then, it would logically follow that the profits are down even more so than reflected by that report.

The stores in the area of the Antioch Shopping Plaza, off of Orchard St., where the road renovation has been in progress all summer, seem to have more than inflationary reasons for their profit losses.

The owners of Roland's Bakery, the store with the most difficult access caused by the road repairs, have been heard bemoaning their loss of business, and Don Kelly, of Foremost Liquors says that his gross profits are down from last year at this time and blames the bulk of the business loss on the inflationary economy but adds that the road repairs have had a definite effect on his profit and loss sheets.

Conversely, Jack Seigmeier, new owner of the Four Squires clothing store, is enthusiastic about the strong sales showing at Maxwell St. Days and says "Our profits were up for the first six months of this year and the total profit picture has followed sales," which for him, wrung up about the inflationary level.

On Main St., Joe Beemsterboer, owner of True Value Hardware says that business is generally a little down from last year.

## Robert J. Wilton, 82, pioneer resident, dies

Robert J. Wilton, 82, one of Antioch's oldest residents and most respected businessmen and past member and officer of almost every village organization, passed away on Saturday, August 30, at Condell Memorial Hospital, Libertyville.

Wilton lived in Antioch since 1901, was educated at local schools and was employed as a barber by the late Charles Lux from 1921 to 1939 when he opened his own business, Wilton's Electric Shop, from which he retired in 1977.

He was past patron and 50 year member of the Sequoit Masonic Lodge; past patron and 50 year member of the Order of the Eastern Star; charter member and past president of the Chain O'Lakes and Lake County Shrine Clubs; member of Commandery 12, Waukegan; member of Scottish Rite; past president of Antioch Lions Club; former Antioch village trustee; former member of the

Antioch Fire Dept.; member and former trustee of the Antioch United Methodist Church; past president of the Hillside Cemetery Assn.; past president of the Lake County school board and former member of the board of advisors of Victory Memorial Hospital, Waukegan.

Visitation will be from 3 to 9 p.m., on Tuesday, Sept. 2, at Strang Funeral Home, with Masonic services at 8 p.m.

Funeral services will be at 11 a.m., Wednesday, Sept. 3, at Strang Funeral Home, followed by interment at Hillside Cemetery, Antioch.

Wilton was preceded in death by his wife Esther in 1971 and a daughter, Mary Sue, in 1943.

He is survived by two sons, Robert and William, both of Antioch, and four grandchildren.

## Sequoits hope for good year

Cautious optimism was the attitude of the players and coaches of the Antioch Sequoits during their football camp, as they prepared for the 1980 football season.

Their winning season last year when they copped the conference crown and went on to the state quarterfinal playoffs, has Coach Steve Wapon looking forward to a good season since some of his key people are returning and last year's sophomore squad's record brings expectations of more new good material.

"We look real good, have had a good turnout and show a lot of enthusiasm," Wapon says.

The Sequoits have a strong nucleus return that includes: center Mark Williams; guard John Dombrowski; tackles John Eckert and Scott Wolf; part-time fullback starter Mark Pomazak; linebackers Steve Jennrich, Jeff Scheusener and Ed Warner; defensive backs, John Jackson, Greg Schroeder and Dan Boarini.

Wapon has high hopes for varsity newcomers, runningbacks John Haling and Mike Kotlinski along with defensive end Carl Amundsen and guard Ralph Buxton.

"We're looking real strong defensively because of experience but offensively we're young at the skilled positions," Wapon says.

Wapon continues, "Everyone is enthusiastic about football, it should be an exciting conference race but we're looking at the season one game at a time."

## Good news in The News

### Quinn arrives

According to Robert Quinn, father of Rotary exchange student Chris Quinn, her arrival in Brazil was touched with a bit of confusion since her papers called her admittance to Sao Paulo and Chris was headed for Compo Grande.

But the mix-up was quickly straightened out and Chris arrived at the home of her first exchange family, which turns out to be 100 miles from the nearest post office.

None of the members of the Brazilian family speak English which proved to be no problem to the linguistic Chris who speaks fluent Portuguese.

They also presented her with a Clydsdale horse to ride during her stay.

"The horse is so big," says the Rotary exchange student, "I'll have to go out a second story window to get on it."

## Women behind the Antioch man

### Rene Clevon: 'Family comes first'

by GLORIA DAVIS

Sunny, bright and smiling, that's the first impression one gets upon meeting Rene Clevon, the woman behind Peter Clevon, the president of the First National Bank of Antioch.

How does it feel being the wife of a "low profile" bank president like Pete Clevon?

"It makes me very proud," says Rene, "especially since he's accomplished so much at forty."

Rene, short for Irene, one of nine children and Pete are both originally from Waterloo, Wisconsin, having moved to Antioch in 1968.

And although they went to high school together, they really didn't date until Rene was in her first year of nurses training, as they renewed their acquaintance when Pete was laughingly critical of Rene's parking efforts.

THAT was in 1958, they were married in 1962 and have two children, Lisa, who is a freshman at Wesleyan College and Peter presently a senior at Antioch High School.

Both offspring are artistically inclined and their works plus their equally artistic mother's ceramics are prominently displayed next to the fireplace that is the handiwork of the head of the family, who also

gets into the Clevon creative scene.

ALTHOUGH RENE, a registered nurse has worked full time, even when the children were little, the Clevons are very family oriented.

Her's was the smiling face at Dr. Edward Abderholden's clinic for years and she presently lights up the office of Dr. Barnes in Lake Villa.

"I find nursing a very self satisfying career," she says.

The Clevons work hard and play hard together.

"I came out of my shell when we moved to Antioch," says Rene who has learned to water ski, play golf and loves to drive her big Articat snowmobile over the frosty countryside. They are members of the Sequoit Sno-Chiefs Snowmobile Club.

How does one best back a hard working husband? "By trying not to be a nagging wife," says Rene.

The most important things shared by the Clevons seem to be their religion, being active at Saint Stevens Lutheran Church, their understanding of everyone's individual importance and most of all their belief that the family comes first.

## A woman's place

### When I think about it "Those Were The Days"

by GLORIA DAVIS

This column might only have meaning for those who annually celebrate their 39th birthday ala Jack Benny.

Have you ever wondered what happened to the penny that had other uses besides paying sales tax or filling parking meters?

Do you remember penny candy or loafers with two shiny one centers slipped into the front slit?

How about those yummy penny gumball, hershey and peanut machines?

And I bet you've all but forgotten what the purchasing power of the little old nickle used to be.

I used to get five cents a week allowance when I was just old enough to know the difference between the coins.

Imagine the big decision I had each week. What to spend my nickle on!

Should I write a letter and mail it across the country with a five cent stamp or should I call a friend from the nearest phone booth?

Maybe I'd satisfy my sweet tooth with a nickle candy bar, or a pack of gum or an ice cream cone or good humour bar.

But then there was a refreshing nickel coke in that famous wide mouth glass or I might get two for one with a box of crackerjack, complete with a prize "diamond" ring.

Or I could play grown up and order a five cent cup of coffee, with plenty of cream and sugar of course.

If I had fun in mind, I might even take a ride at the amusement park or buy a newspaper and read the funnies with my nickle.

Does anyone know what happened to the swan decals that Mom decorated the bathroom with or the fruit ones that adorned the kitchen cupboards?

And how about some of the uglies that were seen everywhere a while back, like galoshes with zillions of buckles or flypaper or the inevitable kitchen table's oilcloth?

Remember the rolls of wax paper and cellophane that were found in the kitchen drawer?

How many of you recall those smiling independent merchants that worked the neighborhood streets?

There was the iceman, the scissors sharper and the junk man calling his "rags alive!"

Don't you recall the luscious fruits and vegetables that your mother bargained for from the fruit and vegetable truck that called weekly?

And will you ever forget the excitement generated by the sound of the good humour man's bell?

I guess the only survivor of this breed is the good old postman and the milkman, sans "old dobbin."

Yes, time was when every little girl had a diary, she could lock, in which she recorded her most secret thoughts and dreams.

And she had hours of fun for less than 25 cents with a set of jacks or by jumping rope with a piece of Mom's old clothesline or playing hopscotch with a friend. This took only a single piece of chalk and a stone if the game was played on the cement or just the use of a stick if the game was to be scratched in the dirt or cinders.

The boys also had lots of fun, passing away entire days shooting marbles or spinning a 10 cent top or organizing a hot game of kick the can which just required a willing group, an empty can and an open street.

Gone forever are the cars with running boards that you could take a breezy ride on by just hanging tight to the window post; furniture that lasts long enough to be passed from one generation to another and kids that live at home until they're married.

When I go to the movies I still miss the cartoon that used to run before the feature that starred a singing cowboy that kissed only his horse.

But wait, maybe all these good things are not gone forever!

Now that short hair is in for men, maybe we'll see the return of the neat crew-cut or even the crazy Mohawk.

And since the racks of the women's clothing stores are filled with the "forties" look maybe we'll witness the return of the up-swept hairdoes.

Wouldn't it be great and lots more healthy if parents were again shocked to hear just one off color word from their offspring and even resorted to threatening to wash their mouths with soap?

Finally wouldn't today's parents be greatly relieved if fellas and gals again thought that just plain necking was a great way to end a date?

Oh well, I can dream can't I?

ROSE BY ANY NAME — Rene Clevon is proud of her beautiful rose garden, built by her husband Pete Clevon.

### Moose Women vest Byczek as new Friendship Chairman

The Membership Committee business meeting of the Women of the Moose, Antioch, was opened at 8 p.m. by Senior Regent Louise Gutowski with all officers present.

The Chapter then proceeded with the installation of Academy of Friendship Chairman Anne Byczek. Installing Guide June Ballenger escorted Anne to the altar, where Installing Regent Jerri Polsen read her obligation and she was invested with her emblem of office.

Recorder Judy Page read the application of Judith Bronder, sponsor Judy Page. The report of the investigating Committee was favorable and the Chapter returned a favorable ballot.

THE SENIOR Regent asked for the Recorder and Treasurer's reports, and the Recorder read the minutes of previous Chapter and Board of Officers Meetings.

Motion to adopt was made by Anita Wisniewski, seconded by Carole Deutsche and approved by the Chapter.

Reports were read by Membership Chairman Eleanor Walsh; Hospitality Chairman Gladys Schroeder.

The Guides escorted Ritual Director June Ballenger to the Heart, where she pinned on a telephone for sponsoring a new candidate.

The Officers announced a surprise entertainment for the State Convention this year.

June Ballenger will be an "old fashioned bathing beauty", complete with authentic costume, wearing Antioch 735 banner in the "Parade of Beauties". She will give the Chapter a preview at the first meeting in September.

Birthday marchers were: Judy Kelly, Cathy Gutowski, Julie Gajewski, Anita Wisniewski, Eleanor Walsh, Pearl Roach and Lorry Spencer.

The coming CALENDAR dates are: Publicity Committee Chapter meeting, Sept. 4; LOOM Dance, Sept. 6; Board of Officers Meeting, Sept. 11; Baseball game here, Sept. 7.

### Hockey league registers

The Girl's Iceless Hockey League will have registration from 9 am to 1 pm, on Sept. 6 at the Antioch Scout House and at the Lindenhurst Village Hall.

Registration will also be held from 7 to 9 pm at the Antioch Scout House only, on Monday, Sept. 8, also at the same time on Tuesday, Sept. 9 at the Lindenhurst Village Hall.

Registration fee is \$14.

The season will run from Sept. 19 through Dec. 12 and the games will be played at local grade schools.

### Memory Lane

## Along the way with ANNIE MAE

Hugo Swanson had a great 80th birthday celebration given for him by his two sons Wayne and Dennis.

Visitors flew far and wide to wish him a happy 80th. Not only did he receive congratulations in a letter from President Carter, and good wishes from his two sisters in Sweden, but his 78 year old brother Thure and his wife Peggy came all the way from New York for the celebration.

Note to Mayor Haley and the committee for streets and alleys or whoever would be in charge of the situation.

With the renovation of so many streets going on in Antioch this summer, may I suggest that something be done about the holes and open pipe areas in the village parking lot by the water tower.

These are supposedly used for the fence during water fights.

While trying to record this year's Moonlight Madness activities for posterity, the editor of the Antioch News stepped into one of these holes, was sent sprawling, and nearly broke her whole body.

Since many people walk in this area when parking, the village is just asking for a negligence lawsuit by leaving these hazard holes in the open.

Speaking of Moonlight Madness, I wonder if Dick Paddock has regained his voice after the many hours of barking his sales pitch for the car raffle?

"Greater love hath no man than he give up his voice for the chamber of commerce!"

High gas prices not withstanding, I'm willing to travel a few miles to Milburn for the roast beef cafeteria dinner, sponsored and served by the members of the Milburn Ladies Aid of the Millburn Congregational Church, at noon, at the church which is located at Rt. 45 and Grass Lake Road, in Milburn.

Before you pack away those golf clubs for the season be sure to attend the Antioch Republican Club's golf outing and dinner to be held at the Harbor Ridge Country club on Sept. 10

## Antioch Open Deadline near

## Pack 191 needs help from parents

Cub Scout Pack 191 is now planning their Cub Scout Round-Up for the coming year.

Boys who are eight, nine and 10 years old are invited to join.

Parents will be able to register their boys at our first pack meeting of the school year.

It will be held at Oakland Grade School gym at 7 p.m. on Wednesday, Sept. 17.

The registration fee will be \$2.50.

For the boys who want to take "Boys Life" magazine,

subscriptions will be available.

Leaders will be announcing some of the activities for the coming year, which include a council-wide Jamborett on Sept. 27 and our Blue and Gold Dinner in February.

Any parents who would like to help our boys to have a special year, will be welcome to help.

We need parents for den leaders, assistant den leaders, assistant Webelos leaders and committee members.

Hugo Swanson

This year's recipient of the famed Elephant Award is slated to be Fred Foreman, a candidate for state's attorney spot.

More birthday greetings to Mrs. Annie Horton who was 91 this summer.

Addie, who is a member of Lakeside Rebekah Lodge, was honored by fellow members on the occasion of her natal day.

The Chain-O-Lakes Woodchippers will conduct their first meeting of the fall and winter season from 7 to 9 p.m., on Sept. 10, in the meeting room of the Antioch Masonic Building, 855 Main St.

Members are requested to come prepared to discuss programs and plans for the remainder of the calendar year.

The Woodchippers meet every second Wednesday of the month and the public is invited.

## The Time Machine

### 50 YEARS AGO: SEPTEMBER 4, 1930

The fifth automobile theft in Antioch since Monday night occurred early today with the disappearance of a Ford sedan belonging to Herman Rosing. A Whippet sedan was found by Harold Wells a mechanic at Whitmore Chevrolet, that was abandoned and out of gas on Channel Lake Road. Three Chevrolets were reported missing, one belonging to Constable Jim Horan, one belonging to Robert Anderson and the third disappeared simultaneously with Fred Allen, farm hand at the Mike Golden farm. About \$100 in money and Mr. Golden's Chevrolet sedan disappeared shortly before midnight points to the employee as the guilty one.

Three hundred Cook County policemen vied for the 59 prizes offered at the annual golf tournament held at the Chain O'Lakes Country Club on Monday. Following the play the policeman returned to the Channel Lake home of Anton J. Cermak where the party was augmented by the addition of 300 more guests. The usual beefsteak dinner and political pow-wow was held on the Cermak estate.

Admiral Richard E. Byrd, famed Arctic and Antarctic explorer, was a recent guest at the estate of Chris Paschen with whom he has been acquainted for some time.

The ice house of Fred Wolf at Loon Lake was burned to the ground yesterday morning, despite the greatest efforts of the Antioch firemen to save the building, which is valued at nearly \$5,000, and over \$300 worth of ice. A small amount of ice can be salvaged.

After having been closed for three months during the summer, the Antioch public library was re-opened to the public this week, Miss Mary Stanley, librarian, announced yesterday. For the present the library will be open on Wednesday and Friday afternoons. Those who have books out may now return them and no fine will be asked.

Antioch 4-H boys reap a total of \$825 in premiums for best exhibits at two recent fairs. The Lake County 4-H Club Show at the Model Farm and the Central States Exposition.

### 30 YEARS AGO: SEPTEMBER 7, 1950

Mayor Jim McMillen called for increased action on a local disaster plan ordinance at Tuesday's village board meeting. The mayor pointed out the growing need for organization of Antioch housing and medical facilities, under a National Civilian Defense program, in the event of war-time bombing or catastrophe.

Husky thieves broke into the Antioch Servicenter, hauling away a 600 pound safe containing holiday cash receipts estimated at between \$700 and \$900 and important company records.

The Antioch Rescue squad not only gave aid to the injured but set up traffic warnings following an accident in which a passenger car sideswiped a Cardinal Lines bus at Rte. 173 and Richmond Rd., west of the village Labor Day.

## PROBING THE POCKETS

Stephen K., a 46-year-old accountant, noticed that his gums bled when he brushed his teeth or bit into an apple. He visited his dentist who commenced examining him by inserting a little "perio" probe between his teeth and gums to find the extent of the "pockets". After an X-ray examination showing the amount of tooth-supporting bone loss, he was given the bad news. He has advanced periodontal disease and would lose at least three teeth which were beyond help and have to undergo extensive care to hopefully save the other 29.

Of the 125 million adults who still have their teeth (20 million have already lost

theirs), about 100 million have periodontal disease. And in 32 million it is in an advanced stage, meaning that they too will become toothless unless they undergo extensive treatment.

There is no need for periodontal tooth loss. Learn to clean your teeth properly and they should last a lifetime like they are supposed to.

## Emmons adopts milk policy

Emmons Grade School has announced its policy for free milk for children unable to pay the full price of milk served under the National School Lunch, School Breakfast, and Special Milk Programs for the school.

Local school officials have adopted a family size and income criteria for determining eligibility, available from the district office.

Children from families whose income is at or below the levels outlined are eligible for free milk. In addition, families that do not meet these criteria but have expenses such as unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free milk, the family should contact the school. If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for free milk if the family income falls at or below the levels shown above.

Under the provisions of the policy, Supt. John Kakacek, will review applications and determine eligibility. If a

parent is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If he/she wishes to make a formal appeal, he may make a request either orally or in writing to Richard Becker, 395-1105 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school and the office of the Emmons Grade School has a copy of the complete policy.

## Obituary

### Lila Neergaard

Funeral services for Lila Neergaard, 93, of Lake Villa, were held August 28 at the Strang Funeral Home, Antioch.

Mrs. Neergaard died August 26 at Condell Memorial Hospital, Libertyville. She was born in Denmark and had lived in Lake Villa since 1945. She had owned and operated Neergaard Grocery and Tavern in Deep Lake for many years. She was a member of the Tavern Owners Assn. for many years.

Survivors are one daughter, Mrs. Carl (Evelyn) Anderson of Lake Villa; five grandchildren; eight great-grandchildren; and one great-great-grandchild. She was preceded in death by her husband, Peter; by one son, Peter; and by one daughter, Lea Quenon.

**QUESTION:** How do you like being back in school?

**DON BALL**, Antioch High School, "I like vacation because this year I worked at a Bible Camp on Loon Lake which I really liked."

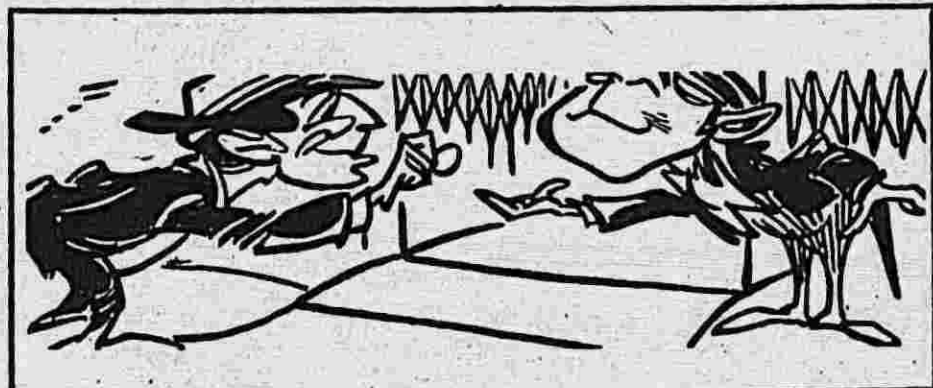

**CORI SCHAWEL**, Antioch Lower Grade School, "I like doing art and painting but math is my favorite, I like fractions."

**CRYSTAL TOX**, Antioch Lower Grade School, "I like first grade better than kindergarten because they give us more books and we get to go all day instead of half."

**DAVID SASS**, Antioch Lower Grade School, "I'm glad to be back in school because there's nothing to do at my house and we play games in the classroom and on the playground."

## ACHS approves free milk and meal plan

Antioch Community High School has announced its policy for free milk, free meals and reduced meals for children unable to pay the full price of meals and milk served under the National School Lunch, School Breakfast, and Special Milk Programs.

Local school officials have adopted a family size and income criteria for determining eligibility available from the district office.

Children from families whose incomes is at or below the levels shown are eligible for free milk, free meals and reduced meals.

In addition, families that do not meet these criteria but have expenses such as unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional

copies are available in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year. A statement is added to warn that the application is being made in connection with the receipt of federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and criminal statutes.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for free milk and free or reduced price meals for them, the family should contact the school. If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such

changes may make the children of the family eligible for reduced price meals, or for additional benefits such as free meals and milk if the family income falls at or below the levels shown above.

Under the provisions of the policy, Business Manager Kenneth C. Wierschem, will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If he or she wishes to make a formal appeal, he or she may make a request either orally or in writing to Supt. Warren P. Polley, Antioch High School, 1133 Main St., Antioch, IL 60002 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school has a copy of the complete policy, which may be reviewed by any interested party.

## Youth bowling to start, sign up at Antioch Bowl

The 1980-81 Youth Bowling Program at Antioch Bowling Lanes will start on Saturday, Sept. 20, however it is not too early to sign up.

League registration forms are now available at Antioch Bowling Lanes and it is required that these be filled out prior to the first day of bowling.

**THE REGISTRATION** fee is \$2.25. You may sign up for the next three weeks at Antioch Bowl Monday through Friday from 9 a.m. to 3 p.m.

If this is not convenient, please call Lois Hartman at

395-1155 or 414-889-4165 and set up a time with her.

Bowlers wanting to bowl on a certain team or with certain friends, please indicate this at the time you sign up so there won't be any disappointments later on. The teams are made up before the first day of bowling.

There are three age groups in which the teams are made up; Majors, Ages 16-18; Juniors, ages 13-15; and Preps, ages 8-12.

The Majors and Juniors bowl at 9 a.m. and the Preps

bowl at noon.

It is not necessary to have bowled previously to be enrolled in a league.

**TROPHIES** are awarded in many categories at a youth bowling banquet which is held at the end of the season.

During the season a bowler has a chance to earn patch awards and trophies from the Illinois State Bowling Assn.

Also there are a number of tournaments to enter during the season.

## Wedding

**MR. AND MRS. VINCENT EDWARD ENGLER**

Church of the Holy Family, Lake Villa, was the setting of the August 2 wedding of Pamela Ann Hunley of Grayslake, daughter of Mr. and Mrs. Joseph Hunley of Antioch, and Vincent Edward Engler, Grayslake. The groom is the son of Mr. and Mrs. Alfred Engler of Mundelein.

The bride was given away by her father in the double ring ceremony performed by Fr. Gerald Liebrecht. Soloist Jim Kocinski sang "Today" and "Sunrise, Sunset" for the couple.

The bride, following the tradition begun by her sister Heater, wore her mother's wedding gown of ivory satin featuring a cathedral length train and ivory lace trim. Her bouquet was fashioned of pink roses, variegated purple elegance and baby's breath. The bride's attendants wore lavender gowns with ivory background.

Robinette Hunley served the bride as maid of honor. In attendance as bridesmaids were Heather Hunley Curtis, Nannette Thorson, Marilyn Engler Botts and Diana Engler Bracher.

Robert Maziarka attended the groom as best man. Groomsmen were Kenneth Curtis, Steve Engler, Rich Botts and Bob Hunley.

Following a reception at Harbor Ridge Country Club for 200 guests, the couple traveled to Aruba, an island in the Caribbean, for their honeymoon.

The bride, a 1972 graduate of Antioch High School and a 1976 graduate of Illinois Wesleyan University, is a third grade teacher at Emmons Elementary School in Antioch. The groom, a 1967 graduate of Mundelein High School and a 1976 graduate of Southern Illinois University, is a cost accountant with Fiat-Allis of Deerfield.

The newlyweds now reside in Libertyville.

## Haley trial re-slated for Sept. 29

According to US Attorney Husto Arenas, in San Juan, Puerto Rico, the trial of William Haley, who was indicted by a federal grand jury on five counts of charges of conspiracy to smuggle drugs, originally slated for August 18, has been rescheduled for Sept. 29.

According to the Federal Drug Administration, Haley was arrested after the United States Coast Guard reported sighting the twin-engine Beechcraft piloted by Haley dump cargo while in flight over Puerto Rico's west coast.

After sighting Haley's plane the coast guard reportedly confiscated 884 pounds of marijuana and more than one half million pounds of methaqualone pills, estimated to be worth \$3.5 million.

## PM&L fetes actors, alumnae

As part of the celebration as PM&L enters its 20th season, the popular, not-for-profit theatre, is holding an open house from 2 to 5 p.m., Saturday, September 13 at the theatre building, 877 Main Street, Antioch.

Current plans include a pictorial record of the over 19 years of shows on display throughout the theatre, sound recordings of bits and pieces of some of the shows and, hopefully, some of the popular actors from the past who are returning for the awards banquet to be held that evening.

Light refreshments will be served throughout the afternoon and all are invited to come and visit and help us celebrate.

The awards banquet is scheduled to be held at the Tower Room of the Antioch Bowling Lanes that evening.

Those up for awards are:

## There's 2 chances to register to vote

Grace Mary Stern, County Clerk, indicates that the County Clerk's office has devised a system for use in the polling place on November 4th which will permit everyone who is registered, even though they may have failed to return the signed registration record, to vote at the General Election.

"We want to make sure that everyone who is legally registered is able to vote November 4th," she said. "And I guess our data mailer has caused some anxiety because of the urgency of its instructions. DO IT NOW, it says, and RETURN THIS FORM IN ORDER TO BE REGISTERED TO VOTE."

Every voter in the county has received a "carbon pack" in the mail — or will receive one within the next two weeks — which includes a voter registration record with instructions to sign it and return it in the postage paid return envelope.

"We are discovering that a few people have been intimidated by the document," said the County Clerk, "and some have put it aside and have not mailed it back. While we would certainly rather have every one of them signed and returned, I do think it's important to get the word out that we will have an alternate system in the polling place for those who didn't follow through, no matter what the reason."

The computer-generated voter registration record to which Stern refers, will permit the County Clerk's office to undertake the newly mandated consolidated election program. The State Legislature has reduced the number of elections to be held to five over each two-year period, and they will all be run by the County Clerk's office. In addition, the mailing permits the clerk's office to "clear the lists" of those names which should be removed. It is one method, used nationally, to discover which voters have died and which have moved away, since the post office is instructed to return those which "are not deliverable as addressed."

"Our new form, the one received in the data mailer by every registered voter, gives a lot more information to the voter himself, as well as permitting the election judges to have a single document for each voter rather than two or three. Formerly it was possible to have the registration record, the application for ballot and a separate affidavit for one voter. This form, though, combines all these functions in one," Stern said.

"We shall have a list in each precinct polling place, of those registered voters who did not return the registration record. Then, if they come in to vote, they

will be asked to sign in a designated space on that list, indicating that they still live and wish to vote at that address. Then, when the election is all over, we'll send them out another form for their signature and hope to get everything consistent and shipshape for the newly consolidated '81 elections."

So no one will be disenfranchised? "Not unless they've moved or changed their names or done something more complicated than simply failing to return the signed registration record," Stern asserted.

## Victory adds tapes to Tele-Med

Five new tapes have been added to the Tel-Med system at Victory Memorial Hospital, Waukegan.

Tel-Med is a health information tape library. Users pick the topic they wish to hear, call the volunteer operator and request the tape by number.

Nancy Svete, chairperson for Tel-Med, said 3,179 calls were received in the month of July. This brings the total since operations began in March to 21,658.

## 'Our Town' to launch PM&L 20th season Sept. 20

The theater season now starting marks the beginning of the twentieth year for PM&L, Antioch's community theater group.

To mark the occasion, the group has planned a season of outstanding plays.

The first of these is Thornton Wilder's Pulitzer Prize-winning "Our Town," which will open Saturday night, September 20.

Following evening performances are scheduled for Friday and Saturday nights, September 26 and 27, and October 3 and 4.

There will also be a matinee on Sunday afternoon, September 28. All shows will be at the PM&L Theater, 877 Main St. in Antioch, where curtain time is 8:30 p.m. for the evening performances and 2:30 p.m. for the Sunday matinee.

A CLASSIC of the American theater, "Our Town" has gripped audiences wherever the show has been performed. Indeed, no less a drama critic than the celebrated Alexander Woolcott wrote that "in all my days as a theatergoer no play ever moved me so deeply."

It is a faithful and simple record of small-town life in America in the years before World War I, a chronicle of everyday living,

loving, and dying.

Tom Hausman directs the PM&L production. His cast features, in the principal roles, Don Beveroth of Paddock Lake as the narrator; Anthony Starke, Lindenhurst, as George Gibbs; Jeannie Lindgren, Antioch, Emily Webb; Frank Greenwood, Round Lake, Dr. Gibbs; Mickey Mandel, Fox Lake, Mrs. Gibbs; Yvonne Dyer, Antioch, Mrs. Webb; Lou Jones, Round Lake, Mr. Webb; and Bruce Stamm, Round Lake Beach, as Simon Stimson.

A LARGE and talented cast supports these principal players. Many of the actors are already well-known to Antioch audiences.

PM&L's plays have a way of playing to full houses. This is likely to be doubly true of "Our Town," in view of the quality of the show itself and the occasion which it marks.

You should therefore be especially sure to call 395-3055 to make your reservations and to be at the box office no later than 8:15 p.m. on the night, or 2:15 p.m. on the afternoon that you plan to help PM&L celebrate the opening of its twentieth year of bringing quality theater to our town.

## Forest Preserve Recognition Day

President Donald Strenger announced that on Wednesday, August 27, the Lake County Forest Preserve District will sponsor its eighth annual Lake County Senior Citizens' Recognition Day at Lakewood Forest Preserve in Wauconda.

The Senior Citizens' Recognition Day was originated by Lake County in 1972 with the first event being held on Sept. 12, 1973.

Forest Preserve District Commissioners have worked to make this day a state and national observance and for their efforts, the district received in 1975 a County Achievement Award from the National Assn. of Counties.

This year's festivities will begin at 10 a.m. with the raising of the flag and a welcome by Strenger who will introduce the master of ceremonies for the day's events and the day's Chairman Helen Belmont Amendola and Vice Chairman Matthew Miholic.

THROUGHT the day, the county's seniors will be treated to games, prizes, refreshments and a wide variety of on-stage entertainment, including an Army band, a Navy band and two dance bands provided by the Waukegan Federation of Musicians Performance Trust Fund.

Other activities of the day will include the crowning of the king and queen, chosen at random from seniors present; displays; a fishing contest; bingo; paddleboat rides and the Senior Amateur Hour.

SENIORS ARE asked to bring a bag lunch and free ice cream, popcorn and beverages will be provided.

A baby born in India on July 11, 1979 — the day Skylab fell to earth — was named Skylab Singh.

Transportation to the Forest Preserve is provided through the local township offices. For further in-

formation regarding transportation, contact the local township office.

In Antioch, call 395-3378.

### AMANDA JEAN DAUGHERTY

A daughter, Amanda Jean, was born August 9 at Condell Memorial Hospital to Elise Jane Daugherty of Antioch. The baby weighed seven pounds, eight ounces. She has a sister, Angel Marie, age two. Grandparents are Hershell and Irene Sturgill of Milan, Ind., and Wa Mae and Elmer Daugherty of Oliver Springs, Tenn.

## Lion gets sweet job

Paul B. Maginot of the Barr Funeral Home, 532 Lake St., has a job lots of children would love to have — supervising candy.

Maginot promises not to eat the candy, however, his job is as general chairman of the Candy Day Campaign for the Antioch Lions Club.

As chairman, he has responsibilities for coordinating the fund-drive here. The local goal is \$5,000.00 as part of the state wide effort scheduled for Oct. 10, to raise a total of \$1,250,000 to help the blind, visually handicapped, deaf and hearing impaired.

The chairman estimates that his club will give away (they don't sell it) 25 cases of candy on Friday, Oct. 10.

Funds contributed by the public will be used for local humanitarian service projects that include aid for the blind and deaf. Also, for projects sponsored on behalf of all Lions by the Lions of Illinois Foundation, Oak Park, the charitable arm of the states 33,000 lions in 670 Lions Clubs.

Among programs administered by the Foundation are a Mobile Glaucoma screening unit, mobile hearing services unit, eye donor registry of which Maginot and his partner Bill Barr of the Barr Funeral Home are the local registry center, collection

and redistribution of used eyeglasses and hearing aids, Camp Lions for children with visual and hearing disorders, and a social services and referral program that acts as ombudsman for the blind and deaf.

CANDY DAY FUNDS also are awarded in grants to such agencies as Hadley School for the Blind, Leader Dogs for the Blind, Dialogue With the Blind, Low Vision Programs at the Illinois College of Optometry, and eye research at the University of Illinois Medical School.

## In Memoriam

THE FAMILY OF Phil Clone would like to say "Thank You" to all the good people in Antioch who were so kind to us in this last year of Phil's life. We are so very lucky we live in a town where so many people care. God Bless You All.

A62-36-7

THE FAMILY OF Leonard G. Kohl would like to thank our friends, and relatives for their kind expressions of sympathy and help during our recent loss. We also thank Pastor Miller, The Antioch Rescue Squad, The Strang Funeral Home and the Antioch Moose Lodge. Ruth Kohl, Children, Grandchildren and Great Grandchildren.

### NATIONAL FLOOD INSURANCE PROGRAM Proposed Flood Elevation Determinations

AGENCY: Federal Insurance Administration, FEMA.

ACTION: Proposed rule.

SUMMARY:

Technical information or comments are solicited on the proposed base (100-year) flood elevations listed below for selected locations in the nation. These base (100-year) flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES:

The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in each community.

ADDRESSES:

See table below.

FOR FURTHER INFORMATION CONTACT:

Mr. Robert G. Chappell  
National Flood Insurance Program  
(202) 426-1460 or Toll Free Line (800) 424-8872  
(In Alaska and Hawaii call Toll Free Line (800) 424-9080)  
Federal Emergency Management Agency  
Washington, D.C. 20472.

SUPPLEMENTARY INFORMATION:

The Federal Insurance Administrator gives notice of the proposed determinations of base (100-year) flood elevations for selected locations in the nation, in accordance with section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 44 CFR Part 67.4 (a).

These elevations, together with the flood plain management measures required by section 60.3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State or Regional entities. These proposed elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.

The proposed base (100-year) flood elevations for selected locations are:

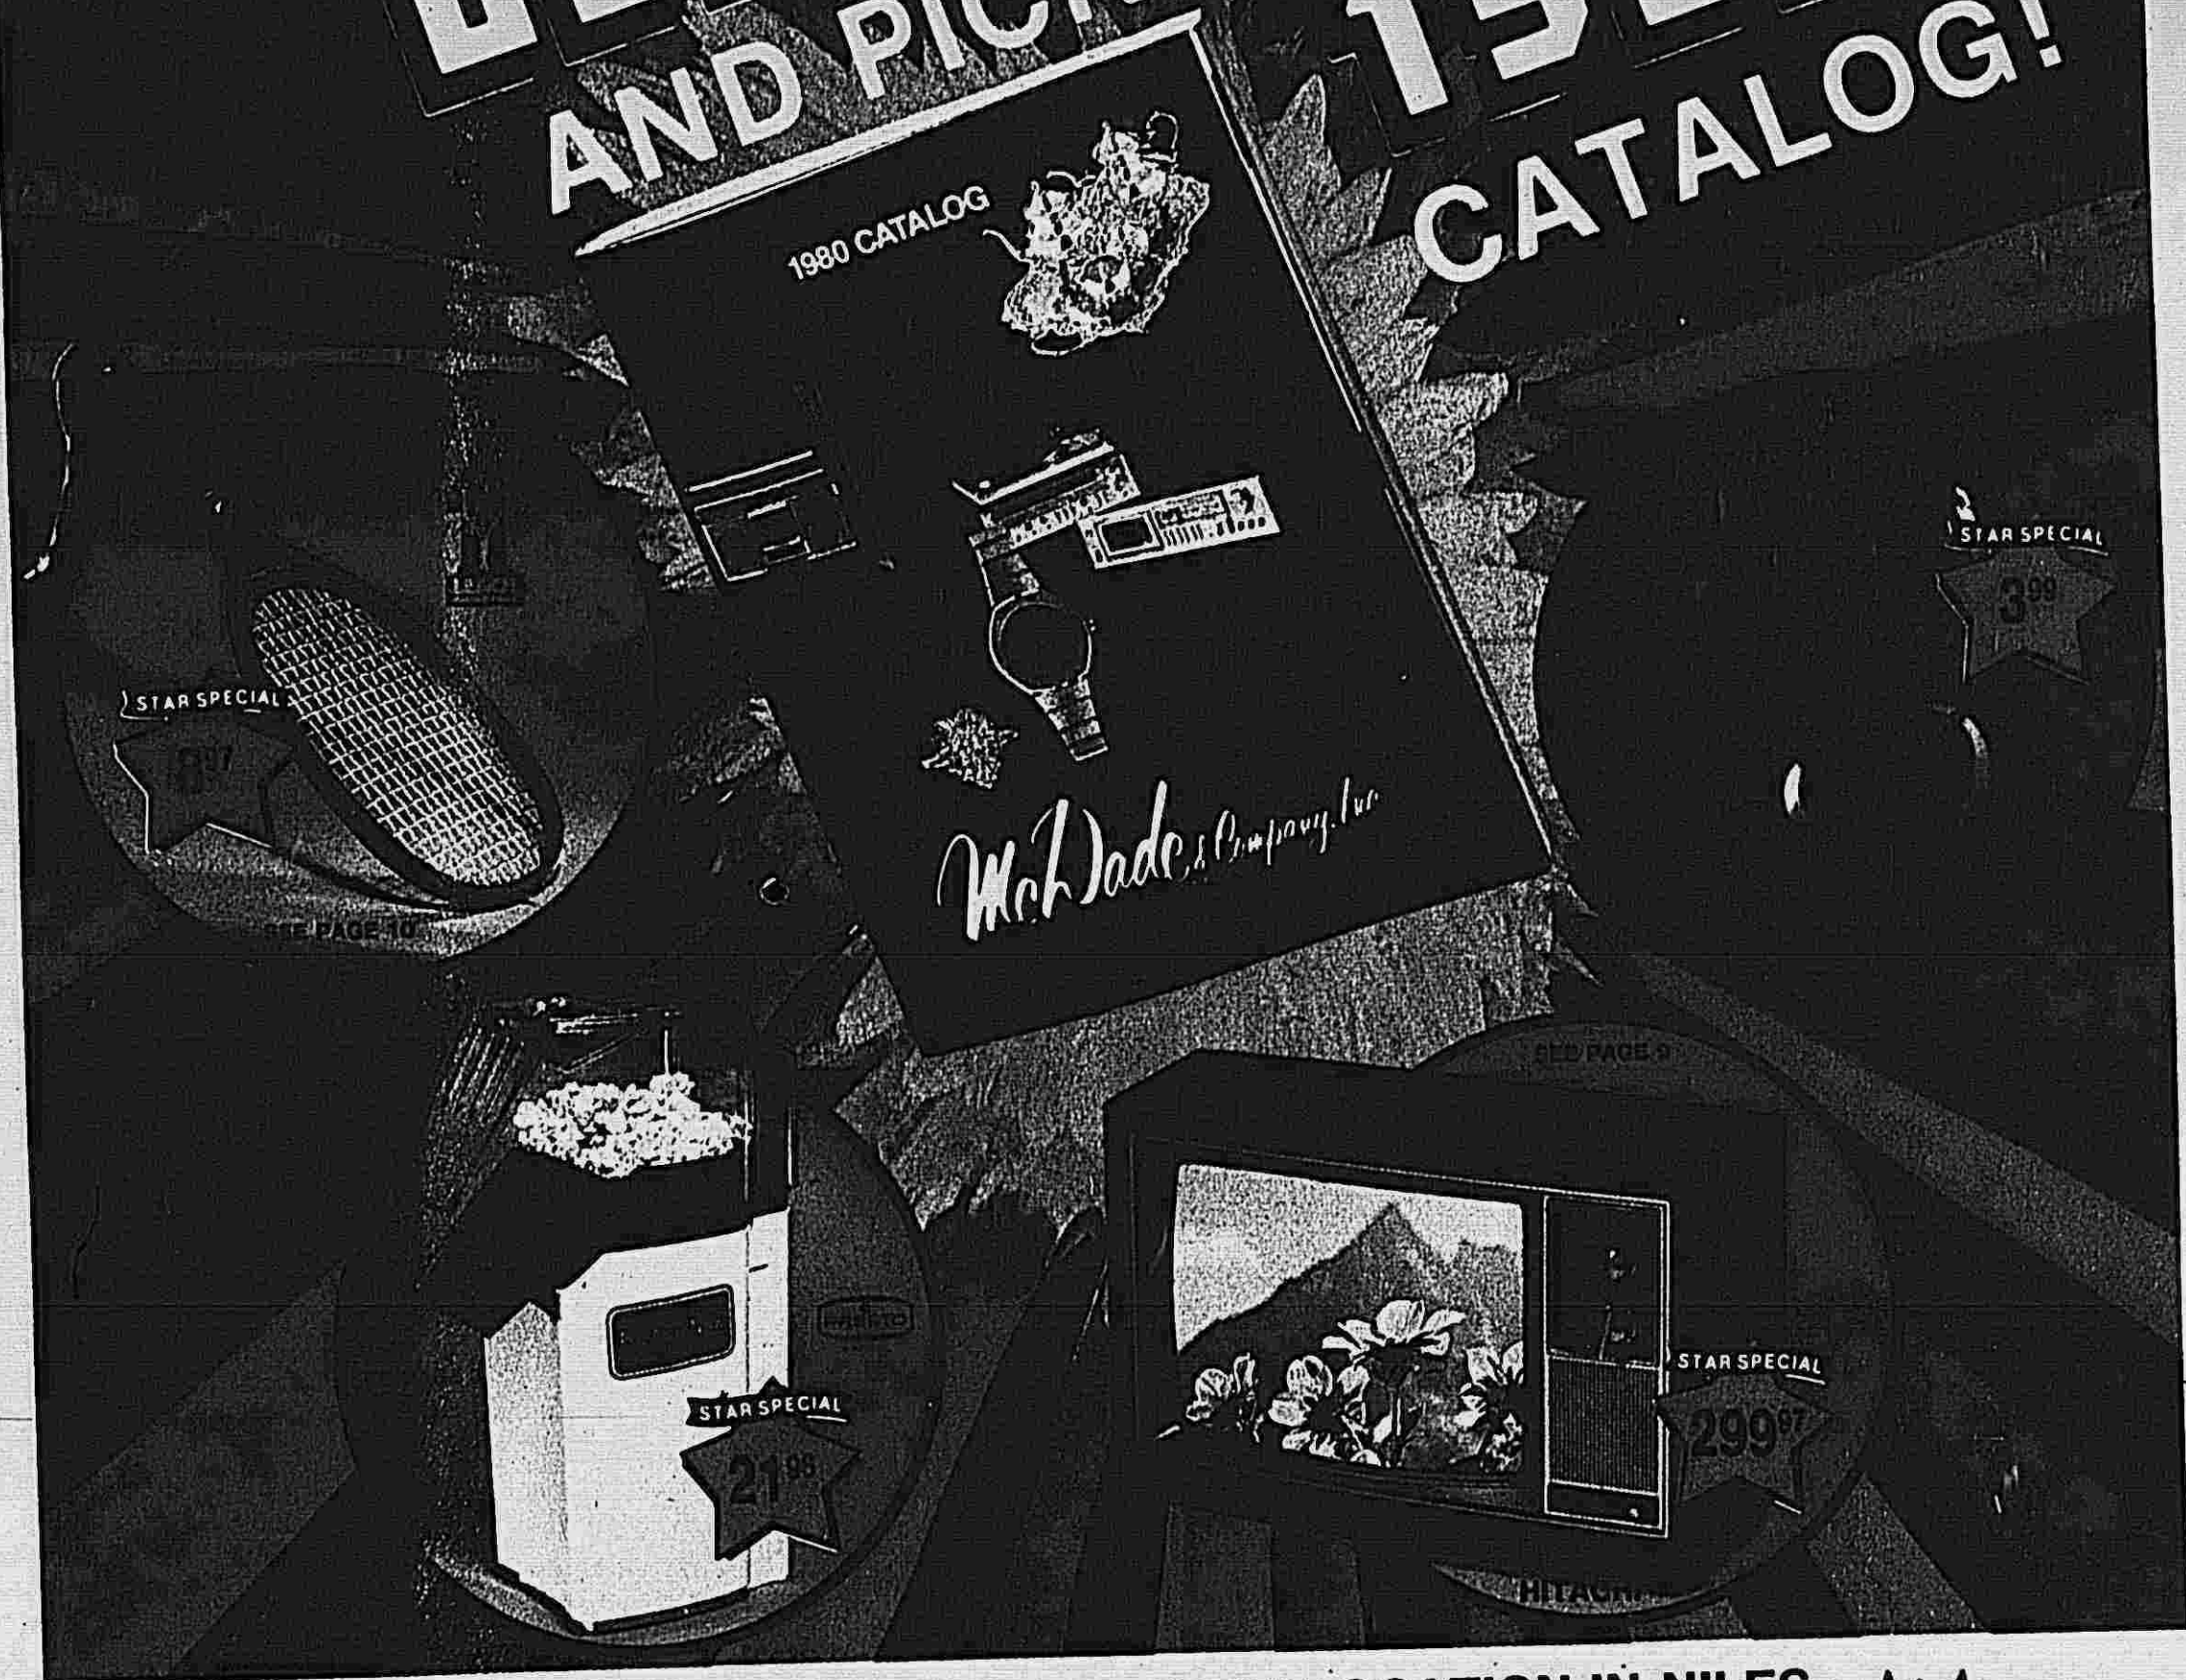

State/City Town/County	Location	Source of Flooding	Depth in feet above ground. *Elevation in feet (NGCD)

## Foster homes needed

Catholic Charities Division of Lake County Services is conducting a campaign to locate unique families and individuals who could provide a warm, loving home for foster children or become adoptive parents for "special needs" children.

While foster parents are needed for children of all ages, especially needed are homes for children of school age and minority children. Also needed are foster homes which can accept two or more children at one time.

Adoptable children with special needs for whom permanent homes are being sought include brothers and sisters, minority children, school age children, or children who have medical, emotional or mental problems either themselves or in their family heritage.

For more information about being a foster parent or adopting a special needs child, call Catholic Charities at 249-3500 weekdays between 9 a.m. and 5 p.m.

# There's 2 chances to register to vote

Grace Mary Stern, County Clerk, indicates that the County Clerk's office has devised a system for use in the polling place on November 4th which will permit everyone who is registered, even though they may have failed to return the signed registration record, to vote at the General Election.

"We want to make sure that everyone who is legally registered is able to vote November 4th," she said. "And I guess our data mailer has caused some anxiety because of the urgency of its instructions. DO IT NOW, it says, and RETURN THIS FORM IN ORDER TO BE REGISTERED TO VOTE."

Every voter in the county has received a "carbon pack" in the mail — or will receive one within the next two weeks — which includes a voter registration record with instructions to sign it and return it in the postage paid return envelope.

"We are discovering that a few people have been intimidated by the document," said the County Clerk, "and some have put it aside and have not mailed it back. While we would certainly rather have every one of them signed and returned, do think it's important to get the word out that we will have an alternate system in the polling place for those who didn't follow through, no matter what the reason."

# Foster homes needed

Catholic Charities Division of Lake County Services is conducting a campaign to locate unique families and individuals who could provide a warm, loving home for foster children or become adoptive parents for "special needs" children.

While foster parents are needed for children of all ages, especially needed are homes for children of school age and minority children. Also needed are foster homes which can accept two or more children at one time.

Adoptable children with special needs for whom permanent homes are being sought include brothers and sisters, minority children, school age children, or children who have medical, emotional or mental problems either themselves or in their family heritage.

For more information about being a foster parent or adopting a special needs child, call Catholic Charities at 249-3500 weekdays between 9 a.m. and 5 p.m.
